Paul Follows

Fighting to STOP BREXIT

Paul Follows and the Lib Dems have been leading the fight against Brexit for over three years. The Conservative's proposed Brexit deal would damage our economy, undermine the NHS, remove vital worker's rights and reduce environmental standards.

Paul said, "Whether it's Boris Johnson's deal or a Jeremy Corbyn deal, there is no deal as good as the one we already have as a member of the European Union. Only the Lib Dems are fighting to stop Brexit."

The Lib Dems topped the poll across our area at this year's Euro elections, with thousands of people who have previously voted Conservative voting for the Lib Dems as the biggest and strongest party of Remain.

THE CHOICE HERE IS CLEAR:

Local Lib Dem
Paul Follows

OR

Johnson's
Conservatives

Putting a stop to Brexit

Paul has led the campaign locally for a People's Vote, and a Lib Dem majority Government would cancel Brexit

Protecting local services

Paul will fight to protect vital local services, such as our schools and healthcare facilities

Fighting for our future

Paul is fighting for real measures to tackle climate change and for more affordable housing

A disastrous hard Brexit

The Conservatives' handling of Brexit has been a disaster and their deal will be bad for jobs and restrict our rights

Our NHS under threat

The NHS is already at breaking point and could be up for grabs as part of any post-Brexit trade talks with Trump

Failure on climate change

The Conservatives just aren't taking the issue seriously and have an industrial strategy that virtually ignores it

ONLY THE LIB DEMS CAN BEAT THE CONSERVATIVES

The Liberal Democrats are WINNING

Right across the UK, Jo Swinson's Liberal Democrats are winning and gaining momentum:

- GAINED** over 700 new councillors in May's local elections.
- BEAT** Labour and the Conservatives in May's European Elections
- Membership has **SURGED** to a record high of over 125,000 members.
- WON** parliamentary by-elections in Brecon and Shetland.
- MPs from both Labour and the Conservatives have **JOINED** the Lib Dems as more and more people abandon the two old parties.

Be part of the team that is winning the fight to make Britain fairer and build a brighter future for all.
